

# STL3

LED Tower Light

  
**SIGNAWORKS**  
www.signaworks.com

## MODEL TYPES

- STL3 > Continuous Light
- STL3B > Audible Alarm
- STL3F > Continuous and Flashing
- STL3Z > Continuous and Flashing with Audible Alarm

## FEATURES

- > Light has three inputs to display Red, Yellow and Green or Red, Green and Blue in the same lens
- > Visual indication is best with one color activated
- > Pre-wired and pre-assembled with 300mm pole, nuts and left angle bracket
- > Double-cut, polycarbonate lens design provides superior light diffusion
- > Continuous and flashing (80FPM) functions in STL3F and STL3Z
- > IP65 rated without buzzer, IP40 with buzzer
- > All models are CE compliant, RoHS certified and UL listed
- > Standard colors: red-yellow-green, red-green-blue

## ACCESORIES AND OPTIONS

- > Custom pole lengths to 1 meter
- > Flange-mount base
- > Fixed buzzer, 80dB

## ORDERING INFORMATION

- Model Type** > STL3, STL3B, STL3F, STL3Z  
**Voltage** > 12VAC/DC 120VAC/DC  
**Color** > RYG, RGB  
**Ordering Example** > STL3B-24-RGB Continuous LED w/ Buzzer, 24VDC, Red Green Blue

VOLTAGE

CURRENT

12V AC/DC

35mA

90-240V AC/DC

16mA

Audible Alarm

30-150mA

## Installation
